About Journal

IJAET is a scholarly online, open access, peer-reviewed, inter-disciplinary, bimonthly, and fully refereed journal focusing on advances in the field of Engineering and Technology. IJAET is managed by a strong team of editorial board, advisory board & research volunteers. IJAET covers all areas of engineering and Technology. IJAET publishes original research articles, review articles, new concepts, literature surveys, state of the art, research implementations, simulation/practical experiments, applications of engineering and technology, industrial case studies and technical notes. Articles included in IJAET for publication will receive very high publicity and acquire very high reputation.

Scope

IJAET publishes original research articles, review articles, new concepts, literature surveys, state of the art, research implementations, simulation/practical experiments, applications of engineering and technology, industrial case studies and technical notes. IJAET cover the advances in the field of Engineering & Technology but not limited to the following :

Ad hoc & Sensor Networks	Artificial intelligence	Aeronautical Engineering	Automotive Engineering
Bioengineering	Bioinformatics	Biomedical Engineering	Broadband Communications
Civil Engineering	Computer Networks	Computer Science Engineering	Control and Computer Systems
Data Compression	Data Engineering	Design Engineering	Digital Speech Processing
Electrical Engineering	Electronics Engineering	Embedded Systems	Electromechanical Engineering
Mechatronics	Microwaves & Antennas	Modelling and Simulation	Mechanical Engineering
Power Engineering	Pattern Recognition	Parallel Computing Systems	Optical Networking Technologies
Robotics and Intelligent Sensing	Remote sensing	Radar, Optical Communications	Satellite Communications

Submission Information

Prospective authors should note that only original and previously unpublished articles will be considered. Interested authors must consult the journal's guidelines for manuscript submissions at http://www.ijaet.org prior to submission. All article submissions will be forwarded to the Editorial Review Board for double-blind, peer review.

It is appreciated if you could share this information with your colleagues and associates. Thank you.
